**Final Application Form and Instructions for Early Retiree Reinsurance Program (ERRP)  
Now Available**

As has been indicated in prior Allegiance PPACA email communications, for plans with qualifying retirees, federal money is available for reimbursement of claims through the ERRP. As previously mentioned, this money will be available through an application process on a first come first served basis both with regard to submission and approval of the application and with regard to receiving reimbursements.

The final form of the application together with application instructions for these funds was published today by HHS.

That application and instructions are now available online at <http://www.hhs.gov/ociio/regulations/index.html>.

We hope you find this information helpful in guiding your compliance with health care reform.

**Thank you!**
