

Pre-Treatment Review CPT Search Tool FOR PROVIDERS

The CPT Search Tool is a useful resource to quickly and easily look up medical management review requirements and recommendations. Follow the instructions below and contact Allegiance if you have any questions.

1 Go to www.AskAllegiance.com/CPTCode/Search

2 Enter the following:

- Your Provider Tax ID Number
- Patient's Group Number
- Patient's Member ID
- Patient's First and Last name

3 Enter the first CPT Code you wish to review, then click **Add**. Repeat this step, clicking **Add** for every code, until all CPT codes are added for this patient.

*CPT Codes will appear after clicking **Add**.*

4 Review the disclaimer, check the box to **Accept**, then click **Search**.

PLEASE NOTE: *This disclaimer is specific to every group. The information will change depending on the patient's group number.*

5 Scroll down to review the **Recommendation** and **Comments** for every CPT Code.

Record the noted **Confirmation Number** for every CPT Code search.

Code	Description	Recommendation	Comments	Confirmation #
43281	LAP PARAESOPHAG HERN REP	Review Not Recommended	Record the confirmation number for your records.	280720130217
