

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –**

PLEASE READ THIS NOTICE.***

*If you are not eligible for Medicare,  
this Notice does not apply to you.  
Keep this Notice for future reference – If you become eligible for Medicare,  
you will need this important information.*

**Important Notice from Montana Contractors' Association Health Care Trust (MCAHCT)  
About Your Prescription Drug Coverage and Medicare**

**Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Montana Contractors' Association Health Care Trust (MCAHCT) Benefit Plan and about your options under Medicare's prescription drug coverage (Part D).** This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. MCAHCT has determined that the prescription drug coverage offered by the MCAHCT Benefit Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

**When Can You Join a Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th to December 7th**. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?**

If you decide to join a Medicare drug plan, you and any eligible Dependents will still have your current coverage under the MCAHCT Benefit Plan. You can keep your coverage if you elect Part D. The MCAHCT Benefit Plan will coordinate benefits with Part D, **except** for Covered Persons who have or are eligible for Medicare Part D solely because they are an End Stage Renal Disease (ESRD) beneficiary. **Note:** If you are receiving benefits as a COBRA Continuation Coverage beneficiary and you are entitled to Medicare coverage, Medicare coverage is primary to your coverage under MCAHCT. Benefits will be considered payable by Medicare whether a Covered Person who is actually eligible for Medicare benefits has enrolled in, or applied for benefits under Medicare D. (*Refer to MCAHCT Plan Document/Summary Plan Description for complete information*)

**Your current prescription drug coverage through MCAHCT includes the following:**

- Generic Drugs paid at 100% (Not subject to Deductible)
- All other drugs paid at 80% after Deductible is satisfied.
- Individual Deductible- \$750.00 per Calendar Year (Jan 1-Dec 31)
- Family Deductible - \$1,500.00 per Calendar Year (Jan 1-Dec 31)

If you do decide to join a Medicare drug plan and drop your current MCAHCT coverage, be aware that you and your dependents might not be able to get this coverage back.

Your current Group Health Plan coverage pays for other health care expenses, in addition to prescription drugs; and you will still be eligible to receive all eligible health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan.

### **When Will You Pay A Higher Premium (Penalty) To Join a Medicare Drug Plan?**

If you drop or lose your current coverage with the MCAHCT Benefit Plan and do not enroll in a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **For More Information About This Notice or Your Current Prescription Drug Coverage**

Please contact Navitus Health Solutions at the address listed at the end of this Notice.

**NOTE:** You'll get this notice, or a similar one, each year, or more often, if your coverage through the MCAHCT Benefit Plan changes. You will get this notice before the next period you can join a Medicare drug plan. You also may request a copy of this notice at any time.

### **For More Information About Your Options Under Medicare Prescription Drug Coverage**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. If you are eligible for Medicare, you will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**
